

## PRO-TITAN

Equipped to deal with the requirements of the more demanding Golfer.

8A 24v intelligent programmable Charger. Can be left on charge Optional extra

Front Mesh basket fitted as standard on all models

Rear Stabilizer wheels fitted as standard on all models

Need Power? Need Stamina? The **Powerhouse** Pro Titan has it all!

The Pro Titan was introduced, and is designed to complete the requirements of the golfer who wants to play beyond 18 holes. It is based on the fully collapsible frame of the Golf Buggy Pro, and is equipped with 13.5" x 6" Balloon tyres, a more powerful speed control unit, larger axles and two huge 85ah Batteries.

Light indicators on the steering arm keep you informed of the battery status at all times ensuring you have sufficient power to complete your intended trip. So if you need a buggy with the ability to perform when the conditions are less than perfect, then the Pro Titan is the model for you.

**Optional extras for all the Pro Range:**

- Aluminum Loading Ramps.
- High Capacity Chargers.
- Off board Charger lead.
- Luxury Black Seat inc. Head rest and arm rests
- Sun/Rain Canopy finished in Black Canvas\*
- Front Basket cover in Black Canvas with zip
- Compact folding seat inc. arm rests
- Umbrella holder
- Mudguards

Please read enclosed leaflet for all Accessories and current prices
